

REMARKS

By way of the present amendment claims 1-14, 25 and 28 have been cancelled. Claims 15, 18-24 and 26 are currently pending in the present application.

The Examiner has rejected claims 1-14, 25 and 28 under 35 U.S.C. 103 as being unpatentable over Fogle et al. (U.S. Publication Number 2003/0074590) in view of further references as cited in Office Action mailed April 21, 2006.

In order to expedite prosecution of the present application, claims 1-14, 25 and 28 have been cancelled without any prejudice to the Applicant's ability to pursue the subject matter of such claims in continuation or other applications.

The Examiner has indicated that claims 15, 18-24 and 26 are directed to allowable subject matter, and such claims remain pending in the application.

Accordingly, as the all the pending claims in the present application have been allowed, it is respectfully submitted that the remarks herein represent a complete response to all outstanding issues and place the subject application into condition for allowance. Favorable consideration and allowance is respectfully requested.

Respectfully Submitted,

Ahmed E. Hassan et al.
